Manchester Assisted the Champions to Climb Higher.

LOST RICHMOND

Highlanders Won Close Game. Brownies and Manchester Settle Championship Battle.

Standing of the Clubs. Manchester ..... 11. Richmond ..... 9 .

Cheatham's dumb play in right field cheatham's dumb play in right neighborhood when the seventh inning was in progress nided the Brownies very materially in taking yesterday's game from the Manchesterlans. The final score was 5 to 2 with the boys from the South Side swinging onto the little end of the figures. Cheatham's error was an almost inexcusable one and the crowd at the park showed its disapproval of the act in cusable one and the crowd at the park showed its disapproval of the act in no uncertain manner. Hisses, groans and yells greeted the player as he came from the diamond. Gruner and Winston were on the bases when Bowers came to bat. After fouling about a dozen balls, Jimmic sent one out to right garden. By fast running the ball could have been pulled down and the game perhaps saved. But Cheatham came up on it with a slow trot and after it got through him, stood like a statue and looked at the sphere roll into the right field. Swift, who was playing second base, had to get the ball and return it to the diamond. Of course the two runs came in and

of course the two runs came in and Bowers landed safely on third.

Manchester was in for, another hard luck day. Until the seventh inning the score was 2 to 1 with the Brownies gripping the lonely run. But when Cheatham ping the lonely run. But when cheatman made the play all the starch seemed to ooze out of the players and in the following inning two bases on balls, a two-bagger and a wild pitch, gave the Champions two more runs and the game, Bache Held Them.

Bache Held Them.

Barton Heights won the second game from Richmond by the very close score of \$ to 7. Bache, the star third baseman for the Highlanders, was the box artist, and he had plenty of kinks and cufficient steam to keep the Richmonders from landing more than eight swats. Charters did the work for the Richmond boys, and allowed his opponents to bunch their hits. The score was in doubt until the hinth inning. Once it was tied, each nine having five runs. And then the Highlanders pulled themselves together and sent three men over the plate. The eighth inning netted the Richmond boys two runs and came within one of tying the score. Phillips and Bauer did fine work for the two teams at the shortstop position, and criticism.

Brownies Won Again.

Brownies Won Again.

Manchester went to but first, and Hogan opened with a hit. Jonnings sacrifieed, and Hogan ran over the second suck and was tagged from a throw from the first sack. Jack Anthony lined one to right, and it was smothered. Bowers started things for the champlons by missing three of them, and then McEvoy accepted a tleket for the initial sack. Rose did the ozoning act, and Sharp got biffed. Eacho got one to second, and it was transferred to first.

In the second inning Hulcher drove one at Leake, and took the cemetery road at first. Gruner-well, Gruner did his old trick again. He caught an outcurve and straightened it out. When the bail struck terra-firma it was over left-field fence. Gruner-shock hands with the basemen as he trotted around. McLeavy

and Wiston were out, from Leake to An

thony.

The boys from the Southside made a tally in the fourth inning, sending Jack Anthony over the plate, an dagain in the fifth inning a run was made. This time Swith was the man to spike the rubber, doing so by some fast running, coupled with Ford's clean single. But this was all that was doing for the Manchester lads.

Boone biffed one down to Charters, who struck it with his foot and permitted the runner to land safely, whereup Milis proceeded to tear a three-bagger off the reel, and when Phillips went out from short to first, Milis came acrossa.

Jones struck out for the Richmonders, but Bauer lifted one for two sacks and secred on a wild pitch. This was all for this inning, but the following inning gave to the Richmonders four runs. ### CHAMPIONSHIP SERIES.

Manchester and Brownies Will Play This Week.

Bitter rivalry between the Manchester team and the regular Brownle team has resulted in a match for Monday, Tuesday and Wednesday, that will prove of greater interest than all of the games here before. The team winning two out of the three games will take all of the gate receipts for the three exhibitions, and the losers will get nothing. In ad-dition there is a side bet that is considered very large for the city.

The games will begin at 5 o'clock each afternoon, and the winners will be justly entitled to the championship from the two sides. Manchester has had a team that latored under a "spell" for some time, and games have been lost with no apparent reason for their being lost. The Brownles have been accused of being ucky, and in some ways this has proven to be correct. But, as the rooters say;
"Tis better to be lucky than rich," and
this has been the case with the cham-

this has been the case with the clampions,
Manager Wann, of the Brownies, will
send a strong team in the field. The
personnel of the Mauchester nine will
show some of the fastest fielders in the
dustness. The Brownies will have these
players from which to draw: McLeavy, as
catcher; Winston and Huicher, as pitchers; Hicks, for second or short; Gruner,
at first; Eacho, at second; Rose, in left;
Howers, in right; Mill, behind the bat;
McEvoy, at third, and Sharp, for the infield or outfield.

Manchester will have such good players
as these; Eimore, behind the bat; Leake
and Charters, for the pitching; Albert
Anthony, on first, and Jack Anthony, in
center; Swift, Bache and Hogan, in the

(By Associated Press.) NEW YORK, September 9.—Amid the ousing cheers of 25,000 persons, James R. Keene's champion three-year-old

Sysonby easily captured the Annual Champion stakes of \$25,000 at Sheepshead Bay to-day. Sysonby was held at 1 to 6 and galloped his field into the ground in the first mile and a quarter, winning by four lengths. His time for the disance, two and a quarter miles, was 3:51 flat, which is but two-fifths of a second

flat, which is but two-fifths of a second lower than the track record made by lighter in 1963.

By the victory of Sysonby to-day the winnings this year of the James R. Keene stable amount to a litter over \$\frac{1}{2}\$ (100), a figure which has seldom been reached by one stable in one year of racing.

The Annual Champion is for three-year-olds and upward, and the Keene colt was conceding eight pounds to each of his two opponents. But he so overwhelmingly outclassed them that it was a foregone conclusion before the race that he would win, burring accidents.

H. P. Whitney's Burgomaster, carrying 130 pounds, and giving weight to his entire field, won the \$\frac{1}{2}\$.500 Great Eastern handicap by three lengths over Whimsical.
